

ET405 Engineering Design – Tentative Course Outline Fall 2023 Rev1

Document subject to change during the semester – watch for revisions in Canvas

Week	Date	Tentative Agenda	Homework Due	Activity Due
1	8/29 - T 8/31 - R	Chapter 1 – History of Engineering Graphics Engineering Design Process (EDP)	-----	-----
2	9/5 - T 9/7 - R	Chapter 2 – Drawing Projection Methods EDP– Activity #1 Design - Introduction	HMWK #1 Chap.1	-----
3	9/12 - T 9/14 - R	Chapter 3 - Dimensioning	HMWK #2 Chap.2	-----
4	9/19 - T 9/21 - R	Chapter 4 – SolidWorks Overview	HMWK #3 Chap.3	Activity 1 Sketches
5	9/26 - T 9/28 - R	Chapter 5 – Intro to SolidWorks	-----	-----
6	10/3 - T 10/5 - R	Chapter 6 – Revolve, Boss EDP – Activity #2 Puzzle Cube	HMWK #4 Chap.5	-----
7	10/10 - T 10/12 - R	Chapter 7 – Sweep, Loft	HMWK #5 Chap.6	-----
8	10/17 - T 10/19 - R	Chapter 8 – Assembly Modeling TEST #1 Chapter 1-6	HMWK #6 Chap.7	Activity 2 Puzzle
9	10/24 - T 10/26 - R	Chapter 9 – Drawing Fundamentals	HMWK #7 Chap.8	-----
10	10/31 - T 11/2 - R	Chapter 9 – Drawing Fundamentals	HMWK #8 Chap.9	-----
11	11/7 - T 11/9 - R	NO Class - Classes follow a Friday Schedule Project Activity #3 Reverse Engineering – Intro	-----	-----
12	11/14 - T 11/16 – R	Pattern Features TEST #2 Chapters 7-9 Part A (in-class) TEST #2 Part B (take home)	HMWK #9 Section Views	-----
13	11/21 - T 11/23 - R	GD&T – Geometric Dimensioning and Tolerancing No Class - Thanksgiving Holiday	TEST#2 Part B	Activity 3 Rev. Eng.
14	11/28 - T 11/30 - R	GD&T- Geometric Dimensioning and Tolerancing Final Project Assigned	-----	-----
15	12/5 - T 12/7 - R	Reverse Engineering in class activity SolidWorks Math: Mass Properties	HMWK #10 GD&T	-----
16	12/12 - T 12/14- R	NO Class – Reading Day No class	-----	
17	12-19 - M	FINAL Project Due: Monday 12/19/23 11:59 pm		FINAL Project

Notes:

1. All dates are tentative and may change as the semester progresses. Watch for announcements and updates in Canvas.
2. Three Activity Projects include the EDP and/or SolidWorks drawings required. The activity projects may be group based. The Final Project will be an individual assignment.
